This supercedes all previous price lists issued. Whilst every effort will be made to maintain these prices the manufacturer reserves the right to alter prices and specifications at any time in the light of changing conditions. In normal circumstances the effective price will be that which is in force at the date of delivery.

The above prices represent the recommended retail prices for our standard production models, ex-works from our factory at Wigan, Lancashire. They do not include the cost of transport, siting, commissioning and any other charges appropriate to the site of your choice. Please consult your supplying dealer or park operator to confirm inclusive prices applicable at your chosen location. All the above models are built to surpass EN1647.
